Dear Alan,

I find I have never acknowledged the pamphlet on the languages and press of Africa which you so kindly sent me. I am most grateful to you for it, it is extremely useful and it is now in the good custody of Mrs. Papp.

I am today going off on three weeks leave, and will be back here in the middle of September - always providing world events do not require me to return before then.

With kind regards,

Yours sincerely,

J. T. Campbell
